## Tuesday Build

South County Habitat for Humanity

**WHERE** 715 Gardner Rd, Exeter, Rhode Island 02822

**WHEN** Tuesday, July 20th at 8:00 am - 12:00 pm EDT

Volunteering on a Habitat build site is a fun and exciting hands-on opportunity for individuals of all skill levels! There is no construction experience required and Habitat provides all of the necessary equipment and materials for a successful day on site. Construction related projects could include: carpentry, painting, siding, flooring, finish work, and much more! As a construction volunteer you'll learn new skills or improve current ones, meet some terrific people, and leave at the end of the day knowing that you've helped build a safe, decent, and affordable home for a local family.

Please note the following:

- You MUST be registered for a shift to volunteer on the build site.
