

ADOPT-A-DAY

Corporate Team Build Program

Build homes. Build hope. Build your team.

South County
Habitat
for Humanity®
Rhode Island

When you sponsor an Adopt-A-Day team build, you give your employees the chance to build team morale while making a tangible difference in our community—helping working families achieve safe, affordable housing in a state where homeownership is out of reach for many.

It's more than a day of service, it's an investment in your team and community.

Sponsorship Fundamentals

- Each Adopt-A-Day team build is customized to align with your company's goals and objectives
- No construction skills are needed
- All tools, safety equipment, and training are provided
- A unique opportunity to engage employees, strengthen teamwork, and demonstrate your company's commitment to community impact

Sponsorship Opportunities

Whether you're a small business or a large corporation, there's a giving level that fits your goals. Our Adopt-A-Day sponsorships range from \$5,000 to \$90,000, with opportunities to:

- Fund critical construction materials and supplies
- Sponsor a day of volunteer engagement
- Support an entire home build from foundation to finish

Each level includes recognition on social media and our volunteer newsletter, a photographer and a framed team photo, and invitations to milestone events. Higher-level sponsors may also receive co-branded materials, exclusive signage at the build site, and press recognition.
